

AliveCor®

# KardiaMobile 6L

# Why does your doctor recommend **KardiaMobile 6L?**

## **Manage your heart health**

Capture a medical-grade 6-lead ECG in 30 seconds and detect atrial fibrillation and normal sinus rhythm.

## **Trusted**

The first and only FDA-cleared six-lead personal ECG device.

## **Hassle-free**

Check in with your heart on-the-go without the hassle of gels and wires.

## **Get better care**

Share detailed 6-lead ECGs with your doctor for a better view of your heart.

Designed in Silicon Valley USA

**Made for India**  
**FDA Cleared**
